How the program works	What's included in the <i>Transform Your Dating Life</i> program
<p>This private exclusive group is personally facilitated by Christine.</p> <p>It includes 6 weekly phone coaching sessions for a group of women (limit of 10). Each session is 90 minutes.</p> <p>You'll have the opportunity to:</p> <ul style="list-style-type: none"><li>• Discuss your challenges in a supportive group setting and learn successful ways to date differently.</li><li>• Enhance your dating life through the knowledge you gain.</li><li>• Review each lesson as often as you like because they'll be recorded.</li><li>• Receive quick email advice from Christine between sessions.</li></ul> <p><b>Bonus:</b> One 30-minute private coaching conversation with Christine is also included.</p>	<p>These classes address your dating questions and concerns. You'll learn how to:</p> <ul style="list-style-type: none"><li>• <b>Create</b> a personal dating approach.</li><li>• <b>Attract and date only men who fit your criteria.</b> The class helps you (1) figure out why you've been attracting the "wrong" type of man and (2) clarify what you want and <i>don't</i> want in a man. You'll be able to stop spending "wasted" evenings with the wrong guy.</li><li>• Perfect the secrets to having a <b>fabulous first date.</b></li><li>• <b>Quickly identify if he's a match on the first date</b> by using your personalized list (and still making it fun so he doesn't feel like he's being interviewed).</li><li>• Learn how to ask for what you want and need (without sounding needy and weak) so then you can receive it.</li><li>• <b>Feel confident</b> at the beginning and end of every date regardless of the outcome.</li><li>• Ensure you're asked on a second date (if you want one).</li><li>• <b>Take control</b> – learn (1) how to say "no thank you" to a second date and (2) how to say "good-bye" when you don't want to go out with him again.</li><li>• <b>Become empowered</b> – once you complete this program you won't have to wonder, "Does he like me?" Because you'll have the tools to figure it out.</li></ul>
